Community Update

Entrepreneurship and Innovation Program

RMIT University is collaborating with Global Power Generation Australia (GPGA) to deliver a range of capacity building initiatives co-designed with the local community, with the aim to support entrepreneurs near the company's Berrybank 1 Wind Farm. Open to the local community, our aim is to support an intergenerational ecosystem of existing, emerging and aspiring entrepreneurs interested in launching and running new businesses. RMIT and GPGA's engagement and consultation with the community kicked off in 2021. Learn more about Berrybank 1 Wind Farm's Community Engagement and Benefits Sharing Plan at:

Operations Update

Berrybank 1 Wind Farm site is continuing to **maintain** permit compliance with regular pest animal and pest weed surveys being conducted by our environmental consultants as per requirement in the Endorsed Environmental Management Plan. Our Service and Operations teams have completed the **quarterly maintenance** on all 43 turbines and will be starting on the yearly maintenance of the turbines shortly. The overall availability of the wind farm has still been maintained and reached above **99%** during the holiday period, this has maintained the exceptional performance that the Berrybank 1 Wind Farm has produced since commencing operations.
