BERRYBANK 1 WIND FARM

Community Engagement Committee

July 4th, 2022

Berrybank 1

Operations Update

- ✓ The windfarm is fully operational and continues to operate in line with expectations.
- ✓ Our Operations Supervisor is on paternity leave at present so details were a little scarce

Community Engagement Berrybank 1

- ✓ GPG is very proud to be shortlisted as a finalist for the Clean Energy Council Community Engagement Award 2022 for the rollout of the Berrybank Community Solar Power Program
- ✓ The Corangamite Shire Berrybank Windfarm Community Grants Committee has made a recommendation to Council with a decision pending at the Council meeting July 26. The program was heavily over subscribed so it was not possible to fund all of the many worthy proposals submitted to this round.

New scholarship program funded by GPG Australia with Federation University for renewable industry training

Federation University Australia has formally launched its Foundation Annual (scholarship) Appeal, with an announcement that Global Power Generation Australia (GPG Australia) will deliver new scholarships worth \$575,000 over five years.

This new scholarship program is one of the initiatives included in the Community Engagement and Benefit Sharing Plan associated with the Berrybank 1 Wind Farm to support students to gain skills using contemporary equipment that will lead to employment in the renewables sector.
